EXPERIENCE

UX Designer - Interaction Designer | Google

Aug 26, 2019 - Now Mountain View, California, U.S.

Working on the end-to-end UX design of Google Analytics Mobile app by delivering critical user journeys, personas, concepts, wireframes, prototypes and other key artifacts.

Student Designer Intern | Georgia Tech

Jan 07, 2019 - Apr 23, 2019 Atlanta, Georgia, U.S.

Conducted user research on the the users of Enterprise Data Management (EDM), including professors, students, staff and others. Brainstormed and sketched the design of the new EDM website. Designed and built the prototype of the EDM website.

Student Designer Intern | Georgia Tech

Aug 27 2018 - Dec 14 2018 Atlanta, Georgia, U.S.

Developed and tested the EDM website based on the design prototype and mockup created in the previous semester.

UX Design Intern | Google

May 07 2018 - Aug 03 2018 Sunnyvale, California, U.S.

Completed the end-to-end UX design of an in-house enterprise project by delivering critical user journeys, personas, concepts, wireframes, prototypes, testing reports, design specs and other key artifacts.

Collaborated closely with PM, business owner and engineers through research, design and testing to navigate through the ambiguity and complexity of enterprise projects.

Student Assistant | Georgia Tech

Feb 05 2018 - May 02 2018 Atlanta, Georgia, U.S.

Designed and developed the new website for Institute of Electronics and Nanotechnology (IEN) at Georgia Tech. Managed and maintained websites under IEN. Printed poster and sent out leaflets to promote the events at IEN.

UX Design Intern | YITU Tech

Apr 10, 2017 - Jul 07 2017 Shanghai, China

Designed new features and contributed to several iterations of a web-based platform to meet the needs of customers from different industries, like high-end office buildings, apartments, etc.

Created conceptual prototypes used in financial industries from scratch for showing to Singaporean customers.

Designed an internal Design newsletter template for sharing values of user experience and user-centered design process with all colleagues in the company.
